Kent Hygiene Supplies

Vending machines

Kent Hygiene Supplies offers a number of different makes and models of washroom vending machines. We can offer a wide range of single or dual column electronic and mechanical units. Single column units are usually found in men's toilets supplying condoms. The negative side of using a single column is that it only supplies a single product. Using dual vending machines offers more options for the customer, usually stocking sanitary products, Tampax tampons or sanitary towels, the dual vends are usually located in the female toilets.
